

## II. REMARKS

Upon entry of this amendment, claims 1-6 will be pending, of which claim 1 is independent. Claims 2, 4, 5, and 6 are amended. The amendments to the claims are to correct inadvertent errors during prosecution. For example, separate ingredients "cornstarch" and "talc" were accidentally combined as "cornstarch talc" the amounts of talc were accidentally omitted. Support for the claim amendments can be found in the specification and claims as originally filed (see, for example, original claim 4). Therefore, the applicants believe that this amendment does not introduce new matter. This amendment is filed along with a request for continued examination (RCE), the appropriate fee, an information disclosure statement (IDS), and Form PTO-1449. The applicants respectfully request reconsideration of the present application.

The applicants believe that the claims are in condition for allowance, and hereby respectfully solicit such action. If any point remains in issue which the examiner feels may be best resolved through a personal or telephone interview, the examiner is strongly urged to contact the undersigned at the telephone number listed below.

Respectfully submitted,
